Welcome to the Spring 2026 Honors Graduate Recognition Ceremony. Founded in 1957, the University Honors Program is in its 69th year. Starting with 15 students, the program has grown to nearly 1,800 students.

We recognize hundreds of students who have completed the requirements of the Honors Program this year. Those students graduating as University Honors Scholars have completed 25-26 credits consisting of one of two curricula: five Honors seminars and two Honors courses in the major or two Honors seminars and 4-5 Honors courses in the major.

Sincerely,

Dr. Shawn Bingham, Director
Emily Morgan, Associate Director

CANDIDATES FOR UNIVERSITY HONORS SCHOLAR

Spring 2026

Riley Adams, Business Administration major with a concentration on Supply Chain Management and a minor in Legal Studies

Amelie Adcock, Psychology major with a concentration on General Psychology and minors in Biomedical Sciences and Legal Studies

Sam Adhikari, Biomedical Sciences major with a concentration on Anatomy & Physiology and a minor in Chemistry

Lily Alderfer, Fish, Wildlife, & Conservation Biology major with a concentration on Conservation Biology and a minor in Leadership Studies

Reagan Ames, Environmental Engineering major

Liana Anderson, English major with a concentration on Literature and a minor in Business Administration

Evie Anderson, Animal Science major

Samantha Anderson, Psychology major with a concentration on Industrial & Organizational Psychology

Tyler Archer, Mechanical Engineering major

Sophia Soledad Archuleta-Sanchez, Political Science major with a concentration on U.S. Government, Law & Policy, a second major in Sociology with a concentration on Environmental Sociology, and a minor in Conservation Biology

Tyler Argotsinger, Business Administration major with concentrations on Accounting and Sustainable Business

Emily Armstrong, Environmental Engineering major

Bryson Arnott, Biomedical Engineering and Mechanical Engineering major

Emily Arnow, Neuroscience major with a concentration on Behavioral & Cognitive Neuroscience and a minor in Spanish

Peter Aschenberg, Business Administration major with a concentration on Financial Planning

Evan Asiano, Biological Science major with a concentration on Biological Science and a minor in Horticulture

Dominic Austin, Fish, Wildlife, & Conservation Biology major with concentrations on Wildlife Biology and Fisheries & Aquatic Sciences and a minor in Geospatial Information Science for Natural Resources

Rosemary Ayres, Environmental Engineering major

Thea Babcock, Human Development & Family Studies major with a concentration on Prevention & Intervention Sciences and a minor in Spanish

Johnathan Anthony Baeza Dominguez, Biological Science major with a concentration on Biological Science

Keira Balaun, Business Administration major with concentrations on Supply Chain Management and International Business

Jackson Baldwin, Natural Resources Management major with minors in Ecological Restoration and History

Kyla Ballard, Philosophy major with a concentration on Philosophy, Science, & Technology and a second major in English

Tehya Barber, Biomedical Sciences major with a concentration on Environmental Public Health

Aaron Barnes, Computer Science major with a concentration on Computer Science

Lindsay Barr, Fish, Wildlife, & Conservation Biology major with a concentration on Wildlife Biology

Allyson Bartels, Business Administration major with a concentration on Marketing

Elizabeth Beall, Interior Architecture & Design major

Olive Beffort, Psychology major with a concentration on General Psychology

Olivia Benesch, Zoology major with a minor in Chemistry

Lauren Savanh Bennett, Biomedical Sciences major with a concentration on Microbiology & Infectious Disease

Alexander Benson, Electrical Engineering major with a concentration on Aerospace and a minor in Mathematics

Reyna Bernard, Neuroscience major with a concentration on Behavioral & Cognitive Neuroscience and a minor in Chemistry

Seaton Berne, Biological Science major with a concentration on Biological Science and minors in Biomedical Sciences and Chemistry

Madisyn Corynn Bietz, Civil Engineering major

Marina Black, Biochemistry major with a concentration on ASBMB and minors in Molecular Biology and Chemistry

Lio Blackwell, Psychology major with a concentration on General Psychology

Lucille Faith Blankenship, Psychology major with a concentration on General Psychology and minors in Legal Studies and Art History

Isabel Blosser, English major with concentrations on English Education and Literature and a minor in Music

Ben Blount, Computer Science major with a concentration on Computer Science and a second major in Mathematics with a concentration on General Mathematics

Sarah Braunschweig, Biomedical Sciences major with a concentration on Anatomy & Physiology and a minor in Chemistry

Allison Brause, Zoology major

Katelyn Brennan, Chemical & Biological Engineering major with minors in Chemistry and Political Science

George Brenner, Business Administration major with concentrations on Supply Chain Management and Management & Innovation

Eva Jane Ella Brewer, Neuroscience major with a concentration on Behavioral & Cognitive Neuroscience and a minor in Chemistry

Jake Brisnehan, Fish, Wildlife, & Conservation Biology major with a concentration on Fisheries & Aquatic Sciences and a second major in Statistics

Audrey Brooks, Mechanical Engineering major with a concentration on Aerospace Engineering

University Honors Program

CANDIDATES FOR UNIVERSITY HONORS SCHOLAR

Spring 2026

Raegan Brotsky, Ecosystem Science & Sustainability major

Neena Brubaker, Health & Exercise Science major with a concentration on Exercise Science

Sinder Buckmire, Fish, Wildlife, & Conservation Biology major with a concentration on Conservation Biology and a minor in Global Environmental Sustainability

Gracie Burden, Zoology major with a minor in Chemistry

Alison Burkhard, Art major with a concentration on Painting and a minor in Business Administration

Luke Busot, Biochemistry major with a concentration on ASBMB and a minor in Chemistry

Laura Bussard, Political Science major with a concentration on Environmental Politics & Policy and minors in Global Environmental Sustainability and Zoology

Isabella Butzer, Fish, Wildlife, & Conservation Biology major with concentrations on Conservation Biology and Fisheries & Aquatic Sciences

Molly Campbell, English major with a concentration on Creative Writing and a minor in Art History

Taryn Caquelin, Art major with a concentration on Graphic Design

Brooke Isabelle Carlson, Mechanical Engineering major

Reece Carmody, Data Science major with a concentration on Statistics and a certificate of Sports Statistics & Analysis

Ysa Carrell, Biological Science major with a concentration on Biological Science

Austin Cecil, Mechanical Engineering major with a concentration on Aerospace Engineering

Cathy Chabarria-Garza, Business Administration major with a concentration on Marketing and a minor in Merchandising

Ellie Cole, Animal Science major

Liam Condy, Political Science major with a minor in Legal Studies

Isabella Conrad, Ecosystem Science & Sustainability major

Kirstyn Coulson, Business Administration major with concentrations on Management & Innovation and Supply Chain Management and certificates of Leadership in Organizations and Consulting

Adelaide Cravens, Fish, Wildlife, & Conservation Biology major with a concentration on Wildlife Biology and minors in Forestry and Geospatial Information Science for Natural Resources

Laura Katherine Creech, Ecosystem Science & Sustainability major with a minor in Spanish

Caleb Cripe, Ecosystem Science & Sustainability major with minors in History and General Sociology

Gage Crosby, Business Administration major with concentrations on Supply Chain Management and International Business, a minor in Entrepreneurship & Innovation, and a certificate of Consulting

Kalani Cruz, Hospitality & Event Management major with a minor in Business Administration

Juliette Dashe, Statistics major with minors in Spanish and Mathematics

Sophia de St Simon, Psychology major with a concentration on General Psychology

Mabel DeGrandpre, Ecosystem Science & Sustainability major with a minor in Geospatial Information Science for Natural Resources

Adrian Deputat, Biomedical Engineering and Mechanical Engineering major with a minor in Entrepreneurship & Innovation

Maria Despradel, Biomedical Sciences major with a concentration on Anatomy & Physiology, a minor in Human Development & Family Studies, and a certificate of Disability & Neurodiversity

Margaret Di Scipio, Biomedical Sciences major with a concentration on Anatomy & Physiology

Braxton Dietz, Political Science major with a concentration on U.S. Government, Law & Policy and minors in Legal Studies and Philosophy

Isaac Dinsmore, Biomedical Sciences major with a concentration in Anatomy & Physiology and a second major in Music

Greta Dole, Journalism & Media Communication major and a second major in Art with a concentration in Graphic Design

Moriah Dominguez, Mathematics major with a concentration on Mathematics Education

Isabella Dossett, Chemistry major with a minor in Biomedical Sciences

Emma Dubas, English major with concentrations on Writing, Rhetoric & Literacy and Creative Writing and a minor in Spanish

Ben DuMais, Fish, Wildlife, & Conservation Biology major with a concentration on Wildlife Biology and a minor in Mathematics

Benjamin Dunn, Economics major with a minor in Global Studies

Olivia Duque, Fermentation & Food Science major with a concentration on Fermentation Science & Technology and a minor in Food Science & Safety

Kathryn Edgar, Biomedical Sciences major with a concentration on Anatomy & Physiology

Mallory Eisenreich, Watershed Science & Sustainability major with a concentration on Watershed Sustainability and a minor in Environmental & Natural Resource Economics

Freyja Ellis-Castejon, Physics major with a concentration on Physics and a second major in Mathematics with a concentration on General Mathematics

Delaney Endean, Biomedical Engineering and Chemical & Biological Engineering major

Eleanor Enright, Animal Science major

Fabiola Nicole Escobar Rodezno, Art major with a concentration on Graphic Design and a minor in Media Studies

Grace Evans, Human Development & Family Studies major with a concentration on Prevention & Intervention Sciences

University Honors Program

CANDIDATES FOR UNIVERSITY HONORS SCHOLAR

Spring 2026

Eli Sessler, Neuroscience major with a concentration on Behavioral & Cognitive Neuroscience and a minor in Biomedical Sciences

Samuel Uzumegwu, Animal Science major with a minor in Business Administration

Shane S, Computer Engineering major with a concentration on Aerospace Systems

Steffen J, Journalism & Media Communication major with minors in Global Environmental Sustainability and Music, Stage, and Sports Production

William S, Restoration Ecology major with a minor in Conservation Biology

Dan Fish, Wildlife, & Conservation Biology major with a concentration on Wildlife Biology and a minor in Zoology

William Jee, Biochemistry major with a concentration on ASBMB, a second major in Languages, Literatures, & Cultures with a concentration on French, and a minor in Chemistry

Zeke S, Fish, Wildlife, & Conservation Biology major with a concentration on Wildlife Biology

Eliza Fuhs, Biological Science major with a concentration on Biological Science and a minor in Chemistry

Arabella Fuller, Business Administration major with a concentration on Management & Innovation

Marisol Garcia, Social Work major and a minor in American Sign Language

Ethan Gardner, Computer Science major with a concentration on Computer Science and a minor in Data Science

Killian Garnand, Zoology major with a certificate of Disability & Neurodiversity

Olufunmilayo Garner, Biomedical Sciences major with a concentration on Anatomy & Physiology

Emily Gasowski, Biomedical Sciences major with a concentration on Microbiology & Infectious Disease and a minor in Environmental Health

Avery Gibson, Zoology major with a second major in Chemistry

Ronan Gibson, Biomedical Sciences major with a concentration on Anatomy & Physiology and a minor in Chemistry

Ashley Gleason, Zoology major

Sarah Goerold, Neuroscience major with a concentration on Behavioral & Cognitive Neuroscience and minors in Biochemistry and Chemistry

Mali Gomez, Biomedical Sciences major with a concentration on Anatomy & Physiology

Mathias Gonzales-Wagner, Computer Science major with a concentration on Computer Science and a second major in Philosophy with a concentration on General Philosophy

Reese Good, Fish, Wildlife, & Conservation Biology major with a concentration on Conservation Biology and a minor in Zoology

Aaron Graff, Data Science major with a concentration on Statistics and a certificate of Sports Statistics & Analysis

Allison Graham, Business Administration major with a concentration on Human Resource Management and certificates of Music Business and Leadership in Organizations

Allison Claire Grande, Animal Science major with a minor in Agricultural Business

Jamie Graywolf, English major with a concentration on Literature and minors in Film Studies and Media Studies

Kathryn Elizabeth Groll, Journalism & Media Communication major with a minor in General Sociology

Owen Gruda, Civil Engineering major

Laura Berenice Gutierrez Lopez, Business Administration major with concentrations on Finance and International Business

Jake Gutru, Natural Resources Management major and a minor in Geospatial Information Science for Natural Resources

Camden Habgood, Art major with a concentration on Graphic Design and a minor in Entrepreneurship & Innovation

Kaley Hall, Political Science major with a minor in Legal Studies

Sarah Harbo, Psychology major with a concentration on Clinical & Counseling Psychology and a minor in Human Development & Family Studies

Alexandra Grace Harder, Psychology major with a concentration on General Psychology

Emma Harley, Animal Science major with a minor in Chemistry

Annie Elizabeth Hartshorn, Biological Science major with a concentration on Biological Science and a second major in Languages, Literatures, & Cultures with a concentration on French

Bianca Haslund, Civil Engineering major

Leah Hasstedt, Fish, Wildlife, & Conservation Biology major with a concentration on Conservation Biology and a minor in Zoology

Sydney Heller, Anthropology major with a concentration on Biological Anthropology

Briana Henry, Biomedical Sciences major with concentrations on Microbiology & Infectious Disease and Anatomy & Physiology

Braden Hollis, Computer Science major with a concentration on Computer Science and a minor in Mathematics

Alexa Catherine Holmes, English major with concentrations on Creative Writing and Writing, Rhetoric & Literacy, and a second major in Languages, Literatures, & Cultures with a concentration on French

Asa Hood, Biomedical Sciences major with a concentration on Anatomy & Physiology

Leah Hopkins, Biochemistry major with a concentration on ASBMB

Ella Howe, Journalism & Media Communication major with a minor in Legal Studies

Allison Howel, Political Science major with a concentration on Law, Politics, & Government and a minor in Legal Studies
